Mission Statement: *We strive to continue the brotherhood we are accustomed to within the fire service and are bonded by the love of riding and helping those in need.*

The Fire Hogs are a group of professional fire fighters both active and retired. The mother club was founded in 1991 by Los Angeles City Firefighters. In 2014, Los Angeles County Firefighters formed this chapter for the purpose of promoting camaraderie among their ranks and raising funds for selected charities. The LACoFD Fire Hogs originated with eight founding members, maintains a board of five, and a membership of thirty that continues to grow. All activity is accomplished on a voluntary basis.

The Los Angeles County Firefighter Memorial Committee's Widows, and Orphans Fund

The memorial fund is designed to meet the needs of the fire department's everyday heroes who dedicate their lives to serve your community. These individuals routinely respond to every level of incident up to the most catastrophic. Our firefighters take great pride in assisting those in need and have a long tradition of caring for other firefighter families when tragedy strikes within the department.

Please help those who have been there for your community. Join us in supporting our cause through a tax-deductible monetary, product, or gift certificate donation for our upcoming fundraiser May 28, 2016.

Our club member will be happy to accept your donation in person or you can mail it by May 15, 2016 to the address at the top of this letter. Checks should be made payable to: Fire Hogs MC. Please note the name of the LACoFD Fire Hog member who contacted you. Thank you for your contribution.
